

Help Rebuild

# Happy Hollow Bible Camp

Encouraging future generations of faithful Christians

## Happy Hollow's Proud History

Happy Hollow Bible Camp was founded in 1957 on land donated by Earl & Alma McNeese with the mission of bringing young people close to nature so that their thoughts can be naturally guided into the proper channels for shaping them into honest Christian men and women. Thousands of campers have attended Happy Hollow and hundreds of people have been baptized in the Happy Hollow pool.

## Why NOW To Rebuild?

With 55 years of service, capital improvements are necessary to meet current building codes. A revitalized camp will expand future ministry possibilities including, church retreats, youth events, weddings/receptions and more!

## George's Pool

In 2012, Happy Hollow lost a beloved friend and supporter, George Downing. His love for the camp and the hundreds of campers he mentored while serving as a counselor during the last 12 years of his life as a Christian serves to encourage us to live closer to God. George had an urgency to share God's message of love to whoever's heart was hurting. Many young people will be in heaven because George cared about them and showed them The Father in his life. George worked tirelessly to maintain the pool at Happy Hollow where hundreds were baptized and enjoyed Christian fellowship. Memorial gifts to rebuild "George's Pool" are gratefully accepted.
